[Midland] – Creative Spirit Center accentuates its 2009 theme *Living with Good Design* by offering a dynamic class in tablescape design. Instructor Rachel Belgiorno will teach how to use what you already have as the basis for beautiful and memorable tablescapes. Simple and cozy or elegant and extravagant, these details tell your family and guests that their presence at your table is a special event. The class teaches how to assemble a variety of seasonal and special event tablescapes, including a special look for Valentine’s Day.

**About the Instructor**

Rachel Belgiorno is owner of Savvy, a home staging and redesign company that creates styles for spaces. She brings out the potential in a property by creating it in the here and now; for sellers, buyers, owners and proprietors. She is a Certified Professional Home Stager, redesigner and interior decorator. Accredited by the Home Staging Resource, Rachel is a member of the American Society of Home Stagers and Redesigners as well as the Midland Area Chamber of Commerce. Active in community and volunteer work, Rachel often contributes to charities. She recently donated designs for five tree forts to Whiting Forest in Midland for their TREE-mendous Tree Forts attraction.

Rachel has used her skills to enhance companies and market them for mass appeal – successfully generating more traffic and quicker sales. Many years ago, Rachel opened her own business and now has a proven record of success in transforming and enhancing both residential and commercial properties. Rachel’s staged properties sell in less than 21 days on average, with many having multiple offers in the first 7 to 10 days. She has a large base of loyal clientele in the Tri-Cities area.
